真题语境补充: 2022/12/ 卷1 六级阅读 -Section C

P5 But thankfully, for those people **compelled** almost entirely by this **specific** form of **motivation**, the news isn't all bad, or bad at all. The study also **discovered** several positive **outcomes** that can actually **outweigh** the **harmful** ones. Though these **types** of employees are motivated by the **desire** to avoid negative consequences, they are also motivated by the excitement of **pursuing** emotional rewards. This excitement makes pursuing goals **enjoyable** and **stimulates** pleasure and **pride** that would **result from** success. An effect of the positive motivation is that it **neutralizes** the **existence** of negative motivation.
